“Plus” products are convertible to any available permanent policy without a new medical exam.

Premiums shown are for Term 20 Plus, a renewable term life insurance policy that guarantees the premium to remain level for 20 years from the Policy Date. The premiums quoted are based on the age of the insured at nearest birthday and specified underwriting classification and are subject to change without notice. Premiums for issued policies may be different than the premiums shown based upon actual underwriting classification. Generally, in the absence of fraud, after an amount of insurance has been in effect for two years during the insured's lifetime, we cannot contest that amount due to a false statement made in the application. In the event of death during the first two policy years by suicide or self destruction while insane, only the premiums paid will be returned as death proceeds. Term products convertible to the end of the level term period or to the policy anniversary date nearest the insured's 70th birthday, whichever occurs first. Conversion options vary by term product. FlexTerm Series IX policies (Form 07-TR-1 and any state variations) are underwritten and issued by Ohio National Life Assurance Corporation, Cincinnati, Ohio. Guarantees are based on the claims-paying ability of the issuer. Product, product features and rider availability vary by state. Company not licensed to conduct business and products not distributed in AK, HI and NY. Form 4873 1-14
